

Tomorrow was to be the beginning of something bright and new

As we would receive the host as were taught to do.

In lock down the day has been put back a while

But we aren't sad and we give a smile

You see..

The Lord is with us as we work and play

In our souls both night and day

For in his care we have been placed

And he'll guide us when fears we face

He will help us to be loving and kind

To care for others so love we'll find

Jesus will always hear our prayers

He is our friend and for us he cares

Mums and Dads, Fr Alexander and Miss McAuley too

Thanks so much for all you do

As God's love and blessings are sent our way

We pray it's not long until our Communion Day.
